Yes, Ken mentioned that, but I believe Pruitt's immediate office is beset by many options. I was hoping he'd come out when Anaconda agreements are ready in Sept. That said, at any moment I could learn of previously unannounced plans. Milan Hupp is his Director of Scheduling and Advance in the Administrator's office (202 564 1748), I hope to hear from her or Ken when the Administrator is ready for a visit. I'll let you know if I hear anything. I'm here tomorrow and Monday, wishing you a good holiday weekend.

Hi Alexis,

Have you heard anything about the Administrator planning a visit in August out west and potentially in NV?

Ken Wagner mentioned when we met on June 6 and I was going to reach out to him as well, but

wanted to check in with you first.

Thanks,

Greg
